

【Privacy Policy】

Global Bridge Network complies with all laws and regulations regarding the protection of personal information and believes it is our social responsibility to do so.

1. Compliance with Laws and Regulations

In handling personal information, the Organization will comply with the Act on the Protection of Personal Information and related laws, regulations, and guidelines.

2. Collection of Personal Information

Whenever the Organization requests personal information, it will clarify the purpose for which the information will be used by publicly announcing the purpose of use or notifying the person to whom the information pertains.

3. Management and Protection of Personal Information

Personal information provided to us is appropriately managed by the person responsible for its management, and efforts are made to prevent leakage, loss, etc. We also implement safety measures to protect personal information from unauthorized external access, destruction, tampering, etc. In addition, we will implement safety measures to protect personal information from unauthorized external access, destruction, falsification, and other risks.

4. Use of Personal Information

The Organization will not handle personal information beyond the scope necessary to achieve the purpose of use without the consent of the person concerned.

5. Provision of Personal Information to Third Parties

The Organization will not disclose or provide personal information to third parties other than subcontractors without the consent of the individual, except when disclosure is required by law.

6. Disclosure and correction of personal information

When we receive a request for disclosure or correction of personal information, we will respond to the request to the extent necessary and reasonable after confirming that the request is made by the person in question or his/her representative.
